"Any Statesman Who Would Hesitate to Do So Should Be Hanged," He Declares--- "Germany Has No Thought of Peace."

CALLS BRITAIN MOST BITTER FOE OF EMPIRE

BEHLIN, Sept. 29 (via London) .- The speech of Chancellor von Bethmann-Hollweg in the Reichstag yesterday contained no peace proffers, which he declared would be useless in view of the attitude of the

Germany will persevere until victory is hers, the Chancellor said. He declared that this year's harvest had made Germany's position much more secure than was the case last year.

In his attack upon Great Britain he declared that that country was breaking one international law after another and was above all Germany's most egotistical, fiercest and most obstinate enemy." "A tierman statesman," he said, "who would hesitate to use

against this enemy every available instrument of buttle that would really shorten this war-such a statesman should be hanged.

"Germany will not be permitted to think of peace while her house is burning. She must tirst extinguish the fire."
